

Video uploaded by NTD Funniest on Youtube. Video was uploaded on January 27, 2018 called "Have you ever tried these scare pranks?" It's approx 1:04 in. It literally lasts about 2-3 seconds. There's a mother and daughter, and with the James Renner theory about her leaving cause she was pregnant.

Do you think the woman in the video could be Maura Murray?

Special thanks to kaypeaches09 for posting this on [reddit.com/r/MauraMurrayCase](https://www.reddit.com/r/MauraMurrayCase).

Screenshots from video

Known photos of Maura Murray
